

Autumn Trophy: 2018 Regulations

1. Introduction

The following technical regulations are set out in accordance with the Msa format and should be understood that unless it says you CAN DO IT you should work on the principle you CANNOT. Whilst every effort has been made to ensure the information is accurate it is the drivers responsibility to ensure their car meets MSA Blue book regulations in all matters particularly on safety.

Note In all instances where series regulations state options are free all variations and modifications must conform to blue book regulations in all matters.

2. Description

Open to any saloon, coupe or sports car based on a production model. Whilst we want to attract as wide a variety of cars as possible, the club reserves the right to refuse entry to a car/driver not within the spirit of the series.

3. Safety

Drivers should ensure that both they and their cars conform in every way with the MSA Blue book with specific regard to safety matters. You are particularly drawn to though not exclusively to the installation of roll cages ,race seats, extinguishers cut of switches rain lights and your race clothing.

4. Chassis

Must be based on a production vehicle and recognisable as such, otherwise free.

Space frames and one off specials prohibited.

5. Exterior

Must retain as near as possible its original silhouette and be recognised as the model entered. Modifications using aftermarket body panels, and materials such as glass fibre/carbon, and wings/dive plans allowed subject to any limitations imposed by the Blue book regulations. Otherwise free.

6. Interior

All cars must be fitted with a MSA and/or FIA approved roll cage /seat/ harnesses/extinguisher and any other safety requirement, Glass may be replaced by lightened materials in accordance with Msa Blue book regulations. Otherwise free.

7. Ground Clearance

It is permitted to alter ride height of cars but these must be no less than the minimum allowed for saloon car racing from the ground to body work including any added aero devices, in race trim with driver.
